

PROGRESSIVE CLUB

GREETINGS to all Property Owners and Residents of Stinson Beach:

Because unincorporated towns, such as Stinson Beach, have no way of carrying on community business without some Association, our Progressive Club was formed in 1930, as a non-profit organization to take an active interest in the welfare of the community.

SHINE FOR THIRTY NINE. Adopting San Francisco's slogan - we ask your active help to clean up every rubbish pile and other unsightly debris, so that the general appearance of Stinson Beach, both in town and around all residences, will be neat and orderly. If you cannot personally burn or remove your own rubbish and cuttings, communicate with our secretary, who will put you in touch with someone who will dispose of it at a reasonable cost.

DONATIONS. After the disastrous Egger's fire (total loss) we donated \$25.00 to the Volunteer Fire Department to buy chemicals. Letters of appreciation were sent the five Fire Departments who responded to Stinson Beach's call for help. Five dollars sent Marin Conservation League to help acquire Drake's Bay for a County Park. Ten Dollars for a Perpetual Trophy for the California Cycle Marathon.

AFFILIATIONS with "Marvelous Marin" and "Marin County Council of Improvement Clubs" keep us informed of County activities and in a position to gain co-operation in matters affecting our district.

ROADS. With other civic bodies, we petitioned the County Supervisors to oil surface the Panoramic Highway; it was done in time for the Mountain Play. A request to Supervisor Pedersen, resulted in repairs to paved roads in the residential district.

SIGNS. The street signs were re-varnished and the Club sign renovated. Thru the Club's effort, 1,000 Golden Gate International Exposition colored stickers were attached to the Christmas outgoing mail thru this post office.

NEW FIRE DISTRICT. In July, at a special election, the citizens voted to form a fire district. Messrs. Worrall, Hagenbuch and Hart are your Fire Commissioners. They spent much time and effort working out the district boundaries and are an active force to gain better fire protection. The County Supervisors, District Attorney and the County Assessor gave them splendid co-operation and this Club sent letters of appreciation to all these officers.

Take your part in the business of this community. Join our Club and attend the monthly meetings whenever possible. The annual dues are \$1.50. Send your check to Hilda M. Grunert, Secretary, Stinson Beach.

Discussion at next meeting: COUNTY ROADS to the BEACH - AUTO PARKING - PICNIC GROUNDS - GARBAGE DISPOSAL.

Our County Supervisor, T. Frederick Bagshaw, will speak on these matters Saturday, March 4, 1939, at 8:15 P.M. at Sea Beach Hotel, in the Basement Recreation Hall.

Come and bring your friends. An open forum will give you a chance to present your ideas. Do not miss this meeting. The public is invited.

MEMBERSHIP COMMITTEE: W.B. Marble, Alice Algar, Alice Plummer

Minutes of the Progressive Club.

The regular Meeting of the Progressive Club of Stinson Beach was held in the Club Room of the Sea Beach Hotel on Saturday evening April 1, 1939 .

The meeting was called to order by the President at 8.10 P.M.

The minutes of the preceding meeting were read by the secretary and approved as read.

Committee Reports:

The treasurer reported the sum of \$209.57 in the bank, with \$30. in dues on hand but not yet in the bank.

Mrs. Marble reported that curtain material for the Clubroom windows had been purchased and the chair seats for the chairs had been bought also. Mr. Armistead offered to take care of the chairs, and some of the ladies offered to help make the curtains.

New Business:

The question of lights on our main street was again brought forth and Mr. Marble and Mr. Hensil had both made enquiries regarding same, altho we had not yet heard from Mr. Bagshaw, our supervisor. In order to have 1 or 2 lights it would cost approx. \$34. per 100 watt globe per year. In order to have more than that a district would have to be formed and arrangements made for 10 lights. A 5 year guarantee would have to be given, plus a bond of \$300. for equipment, plus the costs of the electricity, which makes it prohibitive for this district for the present unless some other method is worked out.

Mr. Hagenbuch suggested that a light be placed in front of W. Aireys, Algars, and F. Aireys stores and that each of these people be paid the cost of said light each month which would approximate the sum of \$1.50 each light. Action was postponed until a further meeting.

Mrs. Carl Squire suggested that two fairly large signs be placed at each entrance to town with the warning that TRAFFIC LAWS STRICTLY ENFORCED. This should help to curb the present racing thro town. Also that as we have no constables here each citizen should report all excessive speeders to the sheriff. Mr. Squire was appointed a committee of one to find out about the placing of such signs.

A motion was made by Mrs. Algar and seconded by Miss Fredricks and passed that Mr. Marble put in an expense account at the end of each month, as he attends so many meetings in behalf of the Club.

Motion was made to adjourn at 9.30 P.M.

A long letter was read regarding the proposed plan to build a Veterans Memorial Auditorium. This was laid on the table.

The fire department asked the real estate office to try to find some place where they could put the fire engine more or less permanently. As no lots are available at present for reasonable figures, it was suggested to Mrs. Grunert by Mr. Caltoft, that the space beside her property on Calle Del Mar would be very suitable and the secretary was asked to write Mr. Bagshaw, supervisor, regarding

this possibility. The secretary was also asked to enquire of Mr. Bagshaw regarding the obstruction to the view of the hedge at the corner of Belvedere and Buena Vista Aves. Also whether we have any right to the control of the parking of old cars such as is being done on Calle Del Mar.
